Re: Carrier Current Systems, including Broadband over Power Line Systems  
Amendment of Part 15 regarding new requirements and measurement  
guidelines for Access Broadband over Power Line Systems  
(ET Docket No. 03-104 and ET Docket No. 04-37)

Dear Ms. Dortch:

Today, William Berkman, Chairman of Current Technologies, Inc., Michael Amarosa, and I met with Commissioner Copps and Paul Margie, Commissioner Copps' Legal Advisor.

Mr. Berkman described the measures that Current has taken to avoid creating radio interference and the status of the commercial BPL deployment in Cincinnati. Mr. Berkman also indicated Current's hope that the Commission would consider and resolve the outstanding Notice of Proposed Rulemaking at its October 14 meeting.

In accordance with the Commission's rules, I am submitting two copies of this letter.

Sincerely,

  
Philip L. Verveer
